ECMC 2026

Besides financial support, it is also possible to **sponsor products**. Your goods can be included in the **starterbags** or as prizes for the fastest couriers in different competitions which offers a very high visibility. The prize ceremonies will be documented by our **photographers** and we will provide you with those pictures. Our bundles should provide an orientation and presentation of bandwidth, of course we can customize according to your interests, needs, and possibilities.

Ask us and we will find a solution together. We are looking forward to hearing from you!
